

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

INTRODUCTION.

This is one of a number of lists upon topics of current interest which have been compiled to meet requests by letter. So far as it could be distributed at all it has hitherto been distributed in typewritten form. The applications have become so numerous that it has now been reduced to print, so as to be available for more general distribution.

It has no claim to completeness, nor does it even attempt to exhaust the resources of this Library on the subject. Its purpose is merely to present some of the authorities of interest to the general inquirer. The special investigator must, of course, go much further.

A. P. C. GRIFFIN,

Chief of Division of Bibliography.

HERBERT PUTNAM,

Librarian of Congress.

WASHINGTON, D. C., March 26, 1903.

Rec. Nov. 21, 1905

LIST OF BOOKS ON ANGLO-SAXON INTERESTS.

- Bérard**, Victor. L'Angleterre et l'impérialisme. Avec une carte.
2e éd.
Paris: Armand Colin, 1901. vi, 383 pp. Folded map.
12°.
- Boxall**, George E. The Anglo-Saxon: a study in evolution.
London: Grant Richards, 1902. viii, 331 pp. 12°.
- Callahan**, James Morton. The neutrality of the American lakes and
Anglo-American relations.
Baltimore: The Johns Hopkins press, 1898. 199 pp. 8°.
(Johns Hopkins University studies in historical and political science. Ser. 16, nos. 1-4.)
- Demolins**, Edmond. Anglo-Saxon superiority; to what it is due.
Translated by Louis Bert. Lavigne.
London: The Leadenhall press, 1898. xl, 427 pp. Map.
12°.
- Same. 2d ed.
New York: C. Scribner's sons, 1899. xl, 427 pp. Frontispiece. Map. 8°.
- Dos Passos**, John R. The Anglo-Saxon century and the unification
of the English-speaking people.
New York: G. P. Putnam's sons, 1903. 2 vols. 8°.
- Freeman**, Edward A. The English people in its three homes.
(In his Lectures to American audiences, pp. 7-201. Philadelphia, 1882.)
- Greater Greece and Greater Britain, and George Washington
the expander of England. Two lectures, with an appendix.
London: Macmillan & co., 1886. (4), 143 pp. 12°.
- Gardiner**, Charles A. The proposed Anglo-American alliance, an
address delivered before the American social science association,
August 31, 1898.
New York: G. P. Putnam's sons, 1898. (2), 30 pp. 12°.
(Questions of the day, no. 92.)
- Giddings**, Franklin Henry. Democracy and empire. With studies
of their psychological, economic, and moral foundations.
New York: The Macmillan company, 1900. x, 363 pp. 8°.
Anglo-Saxon alliance, pp. 267-290.

Gorren, Aline. Anglo-Saxons and others.

New York: Charles Scribner's sons, 1900. (4), 158 pp. 8°.

Contents: Certain sociologists and the Anglo-Saxons; The new empire; The gospel of action; Anglo-Saxon humanitarianism; The religious-commercial instinct; The higher civilization; Relative ethics.

Griffis, William Elliot. America in the East. A glance at our history, prospects, problems, and duties in the Pacific ocean.

New York: A. S. Barnes and company, 1899. x, (2), 244 pp. Plates. 12°.

"The Anglo-Saxons join hands," pp. 53-57.

Hosmer, James K. A short history of Anglo-Saxon freedom. The policy of the English-speaking race outlined in its inception, development, diffusion, and present condition.

New York: C. Scribner's sons, 1890. xx, 420 pp. 12°.

Mourre, Charles. D'où vient la décadence économique de la France? Les causes présentes expliquées les causes lointaines.

Paris: E. Plon, Nourrit et cie, [1899.] (2), 460 pp. 12°.

Contains an appendix entitled "Quelques mots sur une théorie expliquant la supériorité des Anglo-Saxons," pp. 427-436.

Pollock, Sir Frederick. The Monroe doctrine.

London: Anglo-American league, 1903. 8°.

"This pamphlet contains the substance of a lecture delivered before the London Chamber of Commerce under the auspices of the Anglo-American league."

Powers, H. H. The war as a suggestion of manifest destiny. [2d ed.]

Philadelphia: American academy of political and social science, 1898. (2), 20 pp. 8°. (*Publications of the society, no. 235.*)

"Professor Powers shows the development of the policy of imperialism from the time of Jefferson and the inevitableness of the war. He then sets forth the results which must follow from our appearance as a world power, and why the final struggle for world domination must be between the Anglo-Saxon and Slav races. He also endeavors to forecast the result of this struggle."

Scholes, Theophilus E. S. The British empire and alliances, or Britain's duty to her colonies and subject races.

London: Elliot Stock, 1899. viii, 415 pp. 8°.

Contents: Preface; Anglo-Saxon alliance; The British Empire—its colonies; The British Empire—its dependencies; The wars that built the British Empire; The growth of British industries; The growth of British commerce; The character and growth of the Russian Empire; The origin of Chinese trade; Recent official Chinese correspondence; China a road to India; New international and commercial conditions; The white races and the dark races; The West Indies and the sugar question; A divided empire; The evils of "color prejudice;" Our future policy.

Smith, Edward. England and America after independence. A short examination of their international intercourse. 1783-1872. *Westminster: Archibald Constable, 1900.* iv, (2), 397 pp. 8°.

Stead, W. T. The Americanization of the world, or the trend of the twentieth century.

Horace Markley, New York, London. [1902.] (6), 444 pp. Maps. 12°.

Streator, Martin Lyman. The Anglo-American alliance in prophecy, or the promises to the fathers. Vol. I.

London: The Werner co.; New Haven, Conn.: Our race publishing co., 1900. 565 pp. Frontispiece (map). 8°.

Chapter I: "The alliance of Great Britain and the United States in prophecy and in the present tendency of the times."

Waldstein, Charles. The expansion of Western ideals and the world's peace.

New York and London: J. Lane, 1899. 194 pp. 12°.

Contains two essays, the first on "The expansion of Western ideals and the world's peace"; the second, on "The English-speaking brotherhood." The second essay was written at the beginning of the Spanish-American war, and was read at the Imperial Institute, London, July 7, 1898.
